- Worksheet 5a: Using lists (Answers)
- Worksheet 5b: Using lists
- Worksheet 5b: Using lists (Answers)
- Homework 5: Using lists
- Homework 5: Using lists (Answers)

If you have any difficulty opening any of the files, which were all created in Office 2016, or experience any other problems, please email [support@pgonline.co.uk](mailto:support@pgonline.co.uk).

This unit is aimed at helping GCSE students to master the essential programming skills they will need for their coursework projects and examinations. We hope you will find it useful. There are also four complete series of theoretical teaching units for the AQA, Edexcel and OCR GCSE (9-1) and IGCSE 0478 examination specifications, and 20 supporting or preparatory KS3 units for pupils in younger years.

Our copyright and licence terms are available inside the material and on our website at: <http://www.pgonline.co.uk/terms-and-conditions>
