AQA GCSE 8525 Computer Science, Robson & Heathcote

ISBN:978-1-910523-22-3

Approved by AQA, this textbook provides comprehensive yet concise coverage of all the topics in the new AQA 8525 GCSE Computer Science specification. Each of the nine chapters in the book corresponds to one of the teaching units in this series and will be invaluable as a course textbook. Practice questions, including some from past examination papers, are included at the end of each chapter. Answers to all exercises are provided in a teacher's pack which can be downloaded from www.pgonline.co.uk.
